Pricing & Payment Information

Price Matching

NovaCart Electronics offers a price match guarantee. If you find a lower price on an identical in-stock item from a major online retailer, we will match it.

Taxes

Sales tax is calculated based on the shipping address and is displayed during checkout.

Financing Options

We offer financing through our partners, allowing you to pay for your purchases over 6, 12, or 24 months with 0% APR for qualified buyers.

Bulk Discounts

Small businesses and educational institutions may qualify for bulk discounts. Please contact our B2B sales team for a custom quote.
