

NovaCart Electronics

"Smart Technology, Delivered to Your Doorstep."

NovaCart User Manual

General Safety Instructions

To avoid electrical shock, do not open the casing of any electronic devices. Keep devices away from water and extreme temperatures. Use only the provided power adapters.

Account Management

To update your profile, change your password, or view past orders, log in to your NovaCart account at novacart.com.

Device Maintenance

Clean screens with a microfiber cloth. Do not use harsh chemicals. Regularly update the software/firmware on your devices for optimal performance and security.

Disposal and Recycling

Please dispose of electronic waste responsibly. NovaCart offers an e-waste recycling program for old devices.
