About This Document

This document explains NovaCart Electronics' official policies regarding returns, refunds, exchanges, replacements, cancellations, return eligibility, refund processing, and customer responsibilities during the return process.

This document applies only to products purchased directly from NovaCart Electronics.

Return Eligibility

Which products are eligible for return?

Customers may request a return when:

- The product arrived damaged.
- The wrong product was delivered.
- The product has a verified manufacturing defect.
- The product is significantly different from its description.
- The customer changes their mind within the eligible return period and the product remains unused and in its original condition.

Return Window

How long do I have to return a product?

Eligible products may be returned within 30 calendar days from the date of delivery.

Return requests submitted after the return window are generally not accepted.

Return Conditions

What conditions must be met for a return?

Returned products must:

- Be in their original packaging.
- Include all original accessories.
- Include proof of purchase or the original invoice.
- Show no signs of misuse or excessive wear.
- Not have customer-caused damage.

All returned products are inspected before a refund, exchange, or replacement is approved.

Non-Returnable Items

Which products cannot be returned?

The following items are not eligible for return:

- Gift Cards
- Products damaged through misuse
- Modified products
- Products repaired by unauthorized service providers
- Products missing major accessories
- Products without original packaging
- Products returned after the return period

Order Cancellation

Can I cancel my order?

Orders may be cancelled only before they have been dispatched.

After shipment has been dispatched, cancellation is no longer available.

Refund Eligibility

When is a refund approved?

Refunds are issued only after:

- The return request is approved.
- The returned product passes inspection.
- The returned item satisfies all return requirements.

Refund requests that do not satisfy the return policy may be rejected.

Refund Methods

How will I receive my refund?

Refunds are normally issued using the original payment method.

Supported refund methods include:

- Credit Card
- Debit Card
- PayPal
- Apple Pay
- Google Pay
- Bank Transfer

Gift card purchases are refunded as NovaCart Store Credit.

Refund Processing Time

How long does a refund take?

Stage	Estimated Time
Return Request Review	2 Business Days
Product Inspection	3–5 Business Days
Refund Approval	1 Business Day
Refund Processing	5–10 Business Days

Actual processing time may vary depending on the customer's financial institution.

Replacement Policy

When can I request a replacement?

Customers may request a replacement when:

- The wrong product was delivered.
- The product arrived damaged.
- A manufacturing defect is confirmed.

Replacement requests depend on product availability.

If the original product is unavailable, NovaCart Electronics may provide:

- An equivalent replacement product, or
- A full refund.

Damaged Products

What should I do if my product arrives damaged?

Customers should:

- Report the issue within 48 hours of delivery.
- Upload photographs of:

- The product
- The packaging
- The shipping label

Damage claims submitted after 48 hours may not be eligible for approval.

Incorrect Products

What happens if I receive the wrong product?

If the wrong product is delivered:

- NovaCart Electronics will arrange a replacement.
- Return shipping costs will be covered by NovaCart Electronics.

Manufacturing Defects

What if my product has a manufacturing defect?

Products with verified manufacturing defects may qualify for:

- Repair
- Replacement
- Refund

The final resolution depends on the inspection results.

Return Shipping

Who pays for return shipping?

NovaCart Electronics covers return shipping when:

- The wrong product was delivered.
- The product arrived damaged.
- A verified manufacturing defect exists.

Customers returning products because of a change of mind are responsible for return shipping costs.

Refund Rejection

Why might my refund request be rejected?

Refund requests may be rejected if:

- The product was damaged through misuse.
- Required accessories are missing.
- The serial number has been removed or altered.
- The return period has expired.
- The returned product fails inspection.
- Unauthorized repairs or modifications have been performed.

Exchange Policy

Can I exchange a product?

Yes.

Eligible products may be exchanged within the 30-day return period.

Exchanges are processed after inspection of the returned product.

If there is a price difference between products, the customer will either pay the difference or receive a partial refund.

Return Process

How do I request a return?

1. Log in to your NovaCart Electronics account.
2. Open My Orders.
3. Select the order.

4. Click Request Return.
5. Choose the return reason.
6. Upload supporting photographs if required.
7. Submit the request.

Customers receive email updates throughout the return process.

Customer Responsibilities

Customers are responsible for:

- Packaging products securely.
- Returning all included accessories.
- Removing personal accounts from electronic devices.
- Backing up important personal data before returning products.

NovaCart Electronics is not responsible for customer data remaining on returned devices.

Fraud Prevention

How does NovaCart Electronics prevent refund fraud?

NovaCart Electronics may investigate suspicious return activity including:

- Repeated fraudulent returns.
- False damage claims.
- Product tampering.
- Abuse of the return policy.

Confirmed fraudulent activity may result in refund denial and suspension of customer accounts.

Return Support

How can I get help with a return or refund?

Customers may contact NovaCart Electronics through:

- AI-powered Chat Support
- Email Support
- Phone Support

Return support is available during normal business hours.
