About This Document

This document describes NovaCart Electronics' official shipping policies, shipping methods, delivery timelines, shipping charges, order processing, shipment tracking, delivery restrictions, and shipping-related customer responsibilities.

This document only covers shipping operations and delivery services.

Shipping Coverage

Where does NovaCart Electronics ship?

NovaCart Electronics currently ships to:

- All 50 states within the United States
- Washington, D.C.
- Selected U.S. Territories

International shipping is currently not available.

Order Processing

How long does order processing take?

After successful payment verification, orders are processed according to the following timeline.

Stage	Estimated Time
Payment Verification	Within 24 Hours
Order Processing	1 Business Day
Packaging	1 Business Day
Shipment Dispatch	Within 48 Hours

Orders placed on weekends or public holidays begin processing on the next business day.

Shipping Methods

What shipping options are available?

Shipping Method	Estimated Delivery	Shipping Cost
Standard Shipping	5–7 Business Days	\$9.99
Express Shipping	2–3 Business Days	\$19.99
Priority Shipping	1 Business Day	\$34.99

Delivery time begins after the shipment has been dispatched.

Free Shipping

Do you offer free shipping?

Yes.

Orders with a subtotal of \$500 or more qualify for free Standard Shipping within the United States.

Free shipping does not apply to Express or Priority Shipping.

Shipping Charges

How are shipping charges calculated?

Shipping charges depend on:

- Selected shipping method
- Delivery location
- Total order value

Shipping costs are displayed during checkout before payment.

Order Tracking

How can I track my order?

Every shipment receives a unique tracking number.

Customers can track orders through their NovaCart account.

Tracking information is also sent automatically by email after shipment dispatch.

Signature Requirement

When is a signature required?

Orders valued above \$1,000 require an adult signature upon delivery.

If no recipient is available, the courier may:

- Attempt another delivery
- Hold the shipment at a nearby collection location

Delivery Attempts

How many delivery attempts are made?

Courier partners normally attempt delivery up to three times.

If delivery cannot be completed, the shipment may be returned to NovaCart Electronics.

Additional shipping charges may apply for reshipment.

Shipping Address

Can I change my shipping address?

Customers are responsible for providing an accurate shipping address.

Address changes cannot be guaranteed once an order enters the packaging stage.

Incorrect or incomplete shipping information may delay delivery.

Shipping Delays

Why might my shipment be delayed?

Delivery delays may occur because of:

- Severe weather
- Public holidays
- Courier disruptions
- High seasonal demand
- Natural disasters
- Government restrictions

NovaCart Electronics will notify customers whenever significant shipping delays occur.

Lost Shipments

What should I do if my package appears to be lost?

If a shipment appears lost:

1. Verify your shipping address.
2. Check your tracking information.
3. Contact the shipping carrier.
4. Contact NovaCart Customer Support.

Shipping investigations generally take 5–10 business days.

Damaged Deliveries

What should I do if my package arrives damaged?

Customers should:

- Inspect the package immediately
- Take photographs of the package and product
- Report the damage within 48 hours
- Submit a shipping support request

Damage reports submitted after 48 hours may not qualify for shipping-related assistance.

Partial Shipments

Can my order arrive in multiple shipments?

Yes.

Orders containing multiple items may be shipped separately depending on inventory availability.

Separate tracking numbers are provided for each shipment.

No additional shipping charges are applied for shipments split by NovaCart Electronics.

Pre-Order Shipping

When are pre-order products shipped?

Pre-order products are shipped once inventory becomes available.

Estimated shipping dates are shown before purchase.

Orders containing both in-stock and pre-order items may arrive in separate shipments.

Shipping Restrictions

Are there any shipping restrictions?

Yes.

Some restrictions include:

- Signature-required products cannot be delivered to P.O. Boxes.
- Large products may not be deliverable to some remote locations.
- Courier restrictions may apply during severe weather.

Failed Delivery

Why can a delivery fail?

A shipment may be marked as failed when:

- The recipient is unavailable after three delivery attempts.
- The shipping address is invalid.
- Delivery is refused.
- Safe delivery is not possible.

Returned shipments may require additional shipping charges before reshipment.

Holiday Shipping

Does holiday season affect shipping?

Yes.

Delivery times may be longer during:

- Black Friday
- Cyber Monday
- Christmas Season
- New Year Holidays

Customers are encouraged to place orders early during holiday periods.

Shipping Notifications

When will I receive shipping updates?

Customers automatically receive email notifications when:

- Order is confirmed
- Payment is verified
- Shipment is dispatched
- Shipment is out for delivery
- Shipment is successfully delivered

Customer Responsibilities

Customers should:

- Provide accurate shipping information.
- Monitor shipment tracking.
- Be available for high-value deliveries.
- Inspect deliveries immediately.
- Report shipping issues promptly.

Shipping Support

How can I get help with a shipping issue?

Customers can contact NovaCart Electronics through:

- AI-powered Chat Support
- Email Support
- Phone Support

Shipping support is available during normal business hours.
