About This Document

This document explains NovaCart Electronics' official warranty coverage, warranty periods, warranty exclusions, warranty claim procedures, repair services, replacement policies, and customer responsibilities.

This document applies only to products purchased directly from NovaCart Electronics or authorized sales partners.

Warranty Coverage

What is covered under the NovaCart warranty?

The limited warranty covers manufacturing defects and hardware failures that occur during normal consumer use.

Examples include:

- Factory hardware defects
- Internal component failures
- Display defects caused by manufacturing issues
- Battery defects caused by manufacturing faults
- Charging port failures
- Camera module failures
- Speaker failures
- Microphone failures
- Wi-Fi hardware failures
- Bluetooth hardware failures
- Original charger or power adapter defects included with the product

Warranty service may include repair or replacement depending on the inspection results.

Warranty Exclusions

What is NOT covered by the warranty?

The warranty does not cover damage resulting from:

- Physical impact
- Accidental drops
- Liquid damage
- Fire damage
- Theft or loss
- Unauthorized repairs
- Hardware modifications
- Software modifications
- Improper installation
- Misuse
- Abuse
- Cosmetic scratches
- Cosmetic dents
- Normal wear and tear
- Third-party accessories
- Power surges

- Improper storage

Battery Warranty

Are batteries covered under warranty?

Yes.

Rechargeable batteries are covered only for manufacturing defects.

Battery capacity reduction caused by normal usage is considered normal wear and is not covered.

Display Warranty

Is screen damage covered?

Display replacement is covered when:

- Manufacturing defects are present.

- Dead pixels exceed acceptable manufacturing tolerance.
- Display hardware fails without external damage.

Cracked screens or impact damage are not covered.

Accessory Warranty

Are accessories covered?

Original accessories included with the product are covered under the same warranty period as the primary device.

Examples include:

- Chargers
- Power Adapters
- USB-C Cables
- Charging Docks
- Remote Controls

Accessories purchased separately include a 1-year limited warranty.

Warranty Registration

Do I need to register my warranty?

No.

Warranty coverage begins automatically using the purchase record associated with your NovaCart account.

Customers should keep their purchase invoice for future warranty claims.

Warranty Claims

How do I submit a warranty claim?

1. Log in to your NovaCart account.
2. Open My Orders.
3. Select the purchased product.
4. Click Request Warranty Service.
5. Upload photographs or videos showing the issue.
6. Describe the problem.
7. Submit the request.

Warranty requests are normally reviewed within 2 business days.

Warranty Service

What happens after my warranty claim is approved?

Depending on inspection results, NovaCart Electronics may:

- Repair the product.
- Replace the product with the same model.
- Replace the product with an equivalent model if the original model is unavailable.

Warranty Service Timeline

Service Stage	Estimated Time
Claim Review	2 Business Days
Product Inspection	3–5 Business Days
Repair	5–10 Business Days
Replacement Shipment	3–7 Business Days

Processing times may vary depending on product availability.

Warranty Transfer

Can I transfer my warranty?

No.

Warranty coverage applies only to the original purchaser.

International Warranty

Is warranty service available internationally?

Warranty service is available only in countries where NovaCart Electronics officially operates.

Customers outside supported regions may be responsible for shipping products to an authorized service center.

Extended Warranty

Do you offer extended warranties?

No.

NovaCart Electronics does not currently offer extended warranty plans.

Warranty Claim Rejection

Why might my warranty claim be rejected?

Warranty claims may be rejected if:

- Proof of purchase cannot be verified.
- The serial number has been removed or altered.
- The damage resulted from misuse.
- Unauthorized repairs have been attempted.
- The product has been modified.
- The warranty period has expired.

Customer Responsibilities

Customers should:

- Keep their purchase invoice.
- Back up personal data before sending devices for service.
- Remove passwords or account locks where applicable.
- Package products securely before shipment.

NovaCart Electronics is not responsible for customer data remaining on serviced devices.

Warranty Support

How can I get warranty assistance?

Customers can contact NovaCart Electronics through:

- AI-powered Chat Support
- Email Support
- Phone Support
- Warranty Claims Portal

Warranty support is available during normal business hours.
