About This Document

This Installation Guide provides step-by-step instructions for setting up NovaCart Electronics products for the first time.

Please read the installation instructions carefully before using any product.

This guide covers only the installation and initial setup process.

For operating instructions, maintenance, and troubleshooting, please refer to UserManual.pdf.

Before You Begin

Before installing your product, please ensure that:

- The package is unopened and undamaged.
- All accessories included in the package are present.
- The product has no visible physical damage.
- You have access to a stable power source where applicable.
- You have read all included safety instructions.

If any items are missing, contact NovaCart Electronics Customer Support before using the product.

Package Verification

Verify that the package contains all listed accessories as described in Products.pdf.

If any accessory is missing, do not proceed with installation.

Laptop Installation

Applicable Products:

- NC-LAP-001 — NovaBook Air 14
- NC-LAP-002 — NovaBook Pro 15

Installation Steps:

1. Remove the laptop and accessories from the box.
2. Connect the supplied USB-C charger.
3. Charge the laptop for at least 30 minutes before first use.
4. Press the power button.
5. Follow the on-screen setup wizard.
6. Connect to a Wi-Fi network.
7. Sign in or create your operating system account.
8. Install available system updates before regular use.

1. Install the bulb into a compatible socket.
2. Turn on the power.
3. Open the NovaCart Companion application.
4. Add a new smart device.
5. Complete Wi-Fi pairing.
6. Assign the bulb to a room.

Software Updates

NovaCart Electronics recommends installing all available software or firmware updates immediately after installation.

Updates may include:

- Performance improvements
- Security patches

- New features
- Bug fixes
- Stability enhancements

Safety Guidelines

During installation:

- Use only official NovaCart accessories.
- Do not expose electronic devices to water during setup.
- Ensure adequate ventilation.
- Do not attempt to disassemble the product.
- Use only the supplied power adapter where applicable.

Failure to follow these guidelines may void the warranty.

Installation Support

If installation assistance is required, customers may contact NovaCart Electronics through:

- AI-powered Chat Support
- Email Support
- Phone Support

Support is available during normal business hours.
