Return Eligibility

Customers may request a return if:

- The product was delivered damaged.
- The wrong product was received.
- The product has a manufacturing defect.
- The product is significantly different from its description.
- The customer changes their mind within the eligible return period, provided the product is unused and in its original condition.

Return Window

Products may be returned within 30 calendar days from the date of delivery.

Return requests submitted after the 30-day return period will not be accepted unless covered under the warranty policy.

Return Conditions

Returned products must:

- Be in their original packaging.
- Include all original accessories.
- Include the original invoice or proof of purchase.
- Be free from accidental or customer-induced damage.
- Not show signs of excessive wear or misuse.

NovaCart Electronics reserves the right to inspect all returned products before approving a refund or replacement.

Non-Returnable Items

The following items are not eligible for return:

- Gift Cards
- Products damaged by misuse or negligence
- Products modified by the customer
- Products repaired by unauthorized service providers
- Products missing major accessories or original packaging
- Products returned after the eligible return period

Order Cancellation Policy

Customers may cancel an order only before it has been dispatched.

Once an order has been handed over to the shipping carrier, cancellation is no longer possible.

Customers must follow the standard return procedure after delivery.

Refund Eligibility

Refunds are issued only after:

- The returned product passes inspection.

- The return request is approved.
- The returned product meets all eligibility requirements.

NovaCart Electronics reserves the right to reject refund requests that do not satisfy the return policy.

Refund Methods

Refunds are processed using the original payment method whenever possible.

Supported refund methods include:

- Credit Card
- Debit Card
- PayPal
- Apple Pay
- Google Pay
- Bank Transfer

Gift card purchases are refunded as NovaCart Store Credit.

Refund Processing Time

Refund Stage	Estimated Time
Return Request Review	2 Business Days
Product Inspection	3–5 Business Days
Refund Approval	1 Business Day
Refund Processing	5–10 Business Days

The exact refund timeline depends on the customer's payment provider or financial institution.

Replacement Policy

Customers may request a replacement instead of a refund if:

- The wrong product was delivered.

- The product arrived damaged.
- The product has a verified manufacturing defect.

Replacement requests are subject to product availability.

If the original product is unavailable, NovaCart Electronics may offer:

- An equivalent replacement product.
- A full refund.

Damaged Products

If a product arrives damaged:

- The issue must be reported within 48 hours of delivery.
- Customers should upload clear photographs of:
 - The product
 - The packaging
 - The shipping label

Failure to report shipping damage within the required timeframe may result in claim rejection.

Incorrect Products

If a customer receives the wrong product:

- NovaCart Electronics will arrange a replacement at no additional cost.
- Return shipping charges will be covered by NovaCart Electronics.

Defective Products

Products with manufacturing defects may qualify for:

- Replacement
- Repair
- Refund

The final resolution depends on the inspection results and the applicable warranty coverage.

Return Shipping

If the return is caused by:

- Wrong product delivered
- Manufacturing defect
- Shipping damage

NovaCart Electronics will provide a prepaid return shipping label.

If the return is due to a change of mind, the customer is responsible for the return shipping cost.

Refund Rejection

Refund requests may be rejected if:

- The product is damaged due to customer misuse.
- Required accessories are missing.
- The serial number has been removed or altered.
- The return window has expired.
- The returned product fails inspection.
- The product has been modified or repaired by an unauthorized service provider.

Exchange Policy

Customers may exchange eligible products within the 30-day return period.

Exchanges are processed only after the returned product has passed inspection.

Price differences between exchanged products must be paid or refunded accordingly.

Return Process

To request a return:

1. Log in to your NovaCart Electronics account.
2. Navigate to My Orders.
3. Select the relevant order.

4. Click Request Return.
5. Choose the reason for the return.
6. Upload supporting photos if required.
7. Submit the request.

Customers will receive email updates throughout the return process.

Customer Responsibilities

Customers are responsible for:

- Packaging products securely.
- Including all accessories and documentation.
- Backing up personal data before returning electronic devices.
- Removing passwords or personal accounts from devices before shipment.

NovaCart Electronics is not responsible for data loss during inspection, repair, or replacement.

Fraud Prevention

NovaCart Electronics reserves the right to investigate suspicious return activity.

Refunds may be denied in cases involving:

- Repeated fraudulent returns
- False damage claims
- Product tampering
- Return abuse

Appropriate action may be taken, including suspension of customer accounts.
